FAQs

[When will I be able to get support from The Academy Support Center Partnership?](#)

The Academy Support Center Partnership has been forming for more than 2 years and we are constantly developing our services to provide the best and most current services available. We are developing a single 1-800 call in number for all our members, a common email site for questions, a twitter feed, a Facebook Page and of course a resource website for all our members. We are building our teams and we will be ready to "GO LIVE" for February 2012.

[When do I need to make my decision?](#)

The *Academy Evolution* has already launched. For the Midwest region, we are scheduled to migrate to the NEW model in January of 2012. During this month, all Illinois and Indiana Academies will be migrated to belonging to *The Academy Support Center Partnership* (The Partnership between the CATCs at Ball State University and Moraine Valley Community College). During the remainder of this academic year (August 2011 to July 2012) you will be under our support umbrella. After July 2012, you have the option of selecting any ASC you wish to affiliate with, but we hope that you will choose to stay with us for our expertise, experience, cutting edge services and exceptional value.

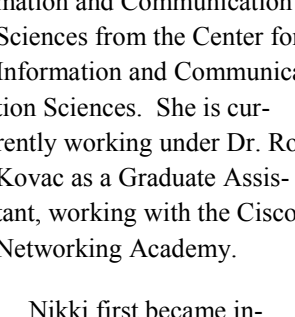

Please feel free to contact us with any questions or concerns.

- Dr. Ron Kovac (765)285-1889 rkovac@bsu.edu
- Dr. John Sands (708)974-5426 sands@morainevalley.edu
- Ms. Kirsten Smith (765)285-1889 kirstensmith@bsu.edu
- Mr. Jason Beck (765)285-1889 jtbeck@bsu.edu
- Miss. Nikki Kisor (765)285-1889 nakisor@bsu.edu

Reminder

The NetRiders competition for high school begins soon. Registration starts February 27th. Don't forget to have your students sign up!

Staff Feature:

Nikki Kisor

Nikki is currently attending Ball State University. There, she is pursuing her Master's of Science in Information and Communication Sciences from the Center for Information and Communication Sciences. She is currently working under Dr. Ron Kovac as a Graduate Assistant, working with the Cisco Networking Academy.

Nikki first became involved with the Cisco Networking Academy in August 2011 as a student and instructor for academies across Indiana. She is the current Marketing Director for *The Academy Support Center Partnership*.

Nikki has a strong interest in Cyber Security and Computer Forensics. She is currently scheduled to graduate in July 2012 and plans to work for the federal government.
