NetRiders Secondary Competition

Volume 1, Issue 6, 1-27-12

The NetRiders competition for Secondary education is coming this Spring! Registration starts February 27th and goes till March 16th. Some highlights of the competition include:

- Students will compete in teams of two (vs. individuals to promote collaboration & teamwork).
- All Rounds will require a proctor and instructors must register for the event in addition to their students.
- Winners of Phase 1 will be the top 3 teams from each academy in each state & province (which encourages greater participation)
- Winners of Phase 2 will be the top team from each state/province (same as before).
- Winners of Phase 3 will be the top 10 teams to win prizes (gift cards & certificates of recognition). In addition, the academies of the top 5 winning teams will receive 5 free CCNA certification vouchers, a \$1250 value for each academy!

Don't Forget . . .

Academy Migration for **ALL** Indiana and Illinois academies happens on **February 22nd**

Students: Start preparing early: Practice exams for the competition are open year round.

Help Indiana and Illinois have the strongest showing in the nation. Start registering February 27th!
