

Countdown Evolution

[Migration Happens February 22nd!](#)

Volume 1, Issue 8, 2-10-12

Change is coming soon. Are you ready? On February 22nd, all Indiana and Illinois academies will be migrating over to the new Academy tree. All Illinois and Indiana academies will be under [The Academy Support Center Partnership](#) between The Center for Information and Communication Sciences and Moraine Valley Community College (CICS+MVCC).

Important

The Academy Handbook, Membership Guide, and Membership Agreement Profile documents can be found at the Club Netacad website under files.

Don't Forget . . .

NetRiders Secondary Competition is coming up! Registration is from **February 27-March 16th**. Please remember to have your students sign-up.

We are proud to be the most successful training and support center in the country having trained an exceptional number of Academy instructors in the US. The CICS+MVCC partnership will provide you with access to over 10 college level faculty with excellent knowledge in networking; which means you can work with us with the confidence and trust you expect. Additionally, our lab resources are extensive. Lab equipment is available for your use on site, remotely and even on loan in some instances.

Our goal is to create a strong teaching and learning community. We want to share our ideas to make our member academies stronger. We want our members to share with the rest of the community. As a community, we will contribute pedagogical activities, curriculum ideas, lab thoughts, equipment, and other elements related to the Academy Program.

[Academy Orientation](#)

If you missed the Academy Orientation Webinar by Greg Smith this past Tuesday, please visit

<https://ciscosales.webex.com/ciscosales/ldr.php?AT=pb&SP=MC&rID=58314552&rKey=5576ea256ee3690d>

This Webinar is very helpful and contains important information your academy will need to know for the upcoming migration, including information on membership agreements and handbooks.

When migration happens, all academies **MUST**:

- accept a membership agreement with Cisco
- update the academy profile online
- align with an ASC

[Name Change](#)

Our name has changed. We are now a partnership between The Center for Information and Communication Sciences (CICS) and Moraine Valley Community College. CICS is through Ball State University.

Please don't hesitate to contact us with your concerns and questions throughout the migration process at:
