NetSpace 24-hour Virtual Conference

The Technical Advocacy global team is planning a NetSpace 24-hour Virtual Conference April 2-3, 2013. Content will include eight hours of unique materials repeated in different time zones and in different languages. More information will be communicated to our NetAcad community in the next couple weeks. The virtual conference information will also be posted on our Global Instructor Resources (GIR) site at <http://lms.netacad.net/mod/resource/view.php?id=14961>. This site is updated regularly, providing labs, training videos, presentations, and much more, presented and developed by your peer Cisco Academy instructors and the Technical Advocacy team.

The ASCP Annual Academy Conference a Huge Success!!

Thank you to all who were able to make it to the Annual Cisco Academy Conference: Transferring to NetSpace. Those who attended were able to receive one-on-one help transferring to NetSpace, speak with live representatives from Cisco, and get up-to-date information regarding the new CCNA curriculum. A fun time was had by all! We hope you can join is next year.

Cisco Virtual Forum for Education Thought Leaders, 2013

Share this invite with your fellow instructors, administrators, deans, principals, leads. This event is free and related to education broadly, not specific to Networking Academy. Education leaders and innovators around the world are transforming education today. Join Cisco on March 19 to explore amazing trends that are shaping the future of education. Learn about leading-edge strategies and practical solutions that are improving the quality of education, everywhere. TOMORROW starts here. The event is virtual - register now to participate in sessions live with Q/A or to access sessions on demand. Cost: Free.

Create own default activation, batch activation and increase max activation

Good news! Cisco committed to a plan that will deliver significant improvements to the assessment activation process including the ability to setup a profile and activate assessments in a group. They will also be extending the max activation window to 90 days for chapter exams. The activation window change will be occur this month and the other functionality is scheduled for May.
