

## *The Academy Support Center Partnership Weekly Newsletter*

### **The Cisco Virtual Conference!**

Don't miss out - sessions are filling fast. Register for the free virtual academy instructor professional development and networking event (for global instructors, free). Live sessions from San Jose will be broadcast into the virtual event site. Share, learn and network with your peers and Cisco. July 16-18. See agenda and register today!

### **The Dream Team in Action!**

The Dream Team made a difference and gained real-world experience at Cisco Live 2013 in Florida. Check out images of these students helping set up the network and supporting the Help Desk in the Network Operation Center (NOC).

### **Take Your Career to the Next Level!**

Share a new video about the advantages of earning additional certifications and gaining the new IT skills that employers need most. Cisco certifications position professionals for new levels of responsibility and greater opportunities. Watch Video. Check out the new

infographic highlighting the value that Cisco certifications bring to IT managers and organizations overall. See Infographic.
