

## A Cisco Networking Academy Support Center

January, 10 2013  
Volume 3, Issue 15

### Don't Miss our January Webinar!

Coming up on this next Wednesday, January 15, 2014, at 1:00 pm the ASCP will be broadcasting our first webinar in our free educational series of 2014. The webinar, "Making NetSpace my Friend" is a perfect choice for all the instructors out there that might not be as comfortable with the new curriculum as they would like. We are going to explore all that the new Netspace platform has to offer, including features that will make your life easier when teaching the cisco curriculum to your students. Don't miss this opportunity to take advantage of the free resources that your membership with the ASCP affords you! The password for attending is "netspace". [Join the webinar using this link.](#)

 8:00 am - 6:00 pm EDT  
 7:00 am - 5:00 pm CDT

hire new security managers for their IT departments are looking for individuals who can handle what these changes bring to the industry. Such broadminded individuals are being found in more of a business background, being able to look at the whole with a broad point of view to encompass all the changes and new ways of doing things. Read more on this topic or listen to the podcast discussing this topic in more detail at Cisco's newsroom page and learn ["what might it take to be a chief security officer in 2014"](#).

## NetRiders Secondary Competition

The spring NetRiders competition is still coming up in February! Instructors, be sure to start talking to your students about competing as teams of four in this competition. There are some great gift card prizes for the top ten teams and their instructors as well. Don't miss out on this time to compete with other schools and get your students involved in healthy competition with their peers, win some great gift card prizes, and have some fun. Prizes range from \$300 per team member, to \$100 per team member, with instructors getting \$150 gift cards. Get your teams formed today and start practicing!
